Dear Mr. Donley:

Congratulations on your award as a 2009 New Mexico Technology Flying 40 company. As one of our state's fastest growing technology-based businesses, you have helped our community earn national recognition, including Forbes magazine's best places for business and careers. That ranking, as well as the jobs that you are providing to New Mexicans here in our community, are clear signs that New Mexico is at the forefront of country's economic recovery.

There is no question that businesses such as yours are playing a critical role in our country's long-term ability to meet the demands of the 21<sup>st</sup> Century. From harnessing the energy power of our natural resources, to advancing our country's defense strategies, to raising health care quality through computerized advancements, I am grateful that companies like yours are rising to meet those national challenges. Your success reaffirms my belief in the bright outlook for our state and for our country's future economic prosperity.

Again, congratulations on your award and thank you for your leadership in technology. Our state is on an incredible trajectory thanks to the innovation and vision of New Mexico's Flying 40. Please don't hesitate to contact me if I can be of service to you in your ongoing endeavors.

Sincerely,

MARTIN HEINRICH  
Member of Congress
